Dear Humeyra:

Congratulations! You have been accepted to the LLM program at the Northwestern Pritzker School of Law beginning August 2018.

We are excited about the achievements and personal qualities of our entering students. While you will be joining a talented group of individuals, we are also confident that you will add a valuable perspective to our classroom discussions and thrive in our unique learning environment that fosters cooperation, camaraderie, and personal contact with faculty, administrators, and students.

This is an exciting time to be at Northwestern. Bolstered by the recent \$100 million donation and a campaign that already has raised more than \$200 million, we are instituting exciting new programs and adding exceptional new faculty, all with an eye toward preparing our students for the rapidly changing world better than any other law school while maintaining our commitment to the strong sense of community for which we are known.

Please confirm your intent to enroll by returning the [response form](#) and a non-refundable \$750.00 check payable to Northwestern University. This deposit will be applied to your tuition. To retain your place in the entering class, you must submit your deposit by **April 10, 2018**. If you choose not to enroll, please complete the response form so that we may update our enrollment records.

In the meantime, please see our [admitted students page](#) to help you plan your arrival to Chicago!

Again, congratulations! If we can help in any way before you enroll, please let us know. We will make every effort to ensure that your experience here is rewarding and enjoyable.

Sincerely,

Sam Kwak
Senior Associate Director of Admissions & Financial Aid
